

Designs for ProtoControl

Monday, August 21, 2023

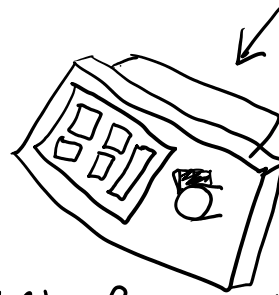

8:18 AM

1) "the classic"

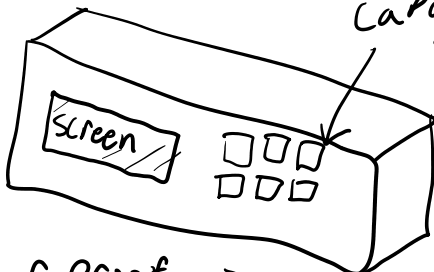

Simple design, LCD display w/ menu Nav Buttons

2) "the Curve Ball" microcontroller

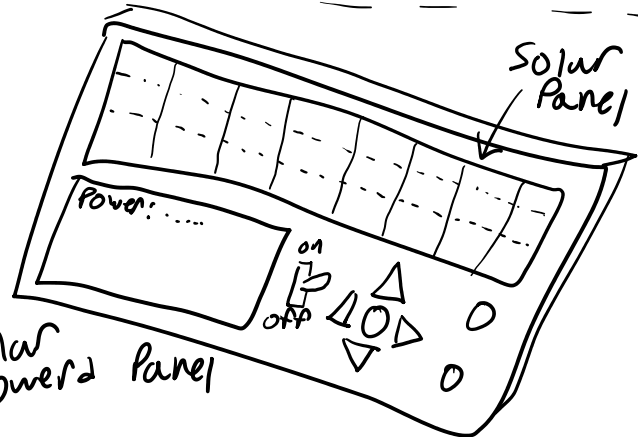

Curved Panel w/ OLED & Knob, expandable Back Pack

3) "the tank"

Water Proof Box w/ self containing Battery and IPA seal

4)

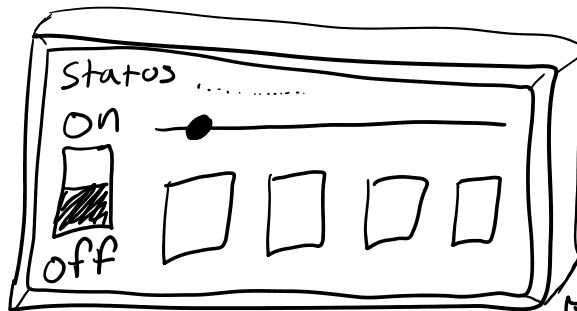

Solar Powerd Panel

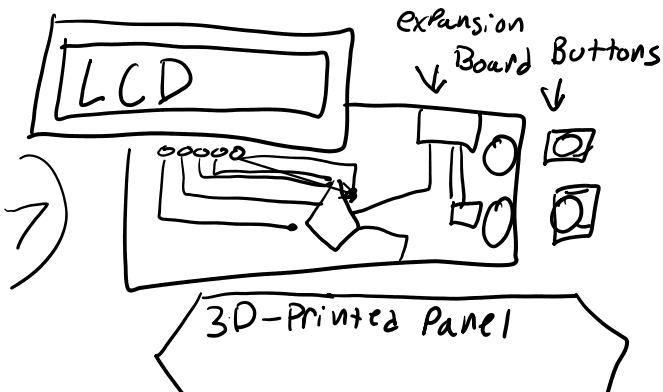

numeric Panel w/ security

full touch screen

6)

resistive

8) "The Dial"

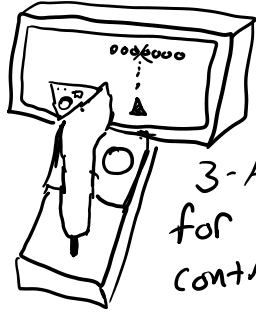

Large, Precision single input dial

3D-Printed Panel

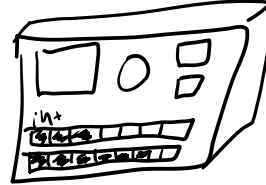

LCD Backpack - Serial

9) "the Joy Stick"

3-Axis Joy Stick
for movement
control

10) "the remote"

+ IR remote
to control
from distance
